CHOOSE YOUR FAVOURITE COLOR

BLACK

WHITE

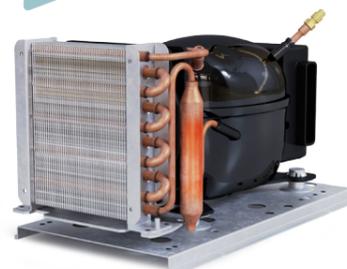

Available in black and/or white, the D20A and D30A have an elegant and refined finish that is harmoniously suited to any interior.

REMOVABLE COOLING UNIT

UP TO 1,5 mt.

With the D20/30A series you are finally free to maximise any space.

The removable external cooling unit offers added available volume inside the refrigerator. In addition, it expands the installation possibilities in terms of functionality, efficiency and soundproofing.
